Guidelines for animal events (such as pet-a-puppy, etc.)

1. Dogs must be at least 5 months of age and is in good health with no known contagious diseases.
2. Dogs must be up to date on vaccinations. This means puppies must have completed their full set of puppy vaccinations, including rabies.
3. Dogs must be on a leash at all times, no longer than 6 feet.
4. Dogs must be under control at all times.
5. Dogs must remain in the area designated.
6. Dogs attending must be social and friendly with other dogs and people.
7. Dogs attending must be comfortable in crowds.
8. Event organizer must clean up after the dog.
9. Event organizer will be held responsible for any injuries or damages.
10. Event organizer must supply documentation from the animal care facility.

Guidelines provided by the Clemson University Risk Management Office (864)656-3354.

My signature denotes agreement and compliance with the guidelines above. The signed copy will be maintained by Cooper Library on site for upcoming and future events. A copy will also be forwarded to the Clemson University Risk Management Office.
